Director of Security 4E 60 Hqs	Bill, FILE: 10-1 I would like to see a copy of the Security report on your investigation of OCC tolors.
	investigation of OCC taking an uncleared person to 25X1
DDIA RECISIRY	It appears to me that there was little regard by OTE and OGC for using the system. Why weren't the O/DCI and OTE Security Officers involved? In short, it seems there were a number of procedural errors in this case.
